

# Course Plan 5<sup>th</sup> semester BE Mechanical & Mechatronics

## Year 2016-17 – Level B2

### Material:

- 1.) Aspekte B2 neu (Textbook + Workbook), Publisher: Klett (2015)
- 2.) Additional material and mock exam papers provided by the course teacher

**Please note:** The four basic skills listening comprehension, reading comprehension, written production and oral production are substantial and integral part of each course session. Therefore, they are not explicitly mentioned in the course plan. The same applies to the preparation for the B2 exam.

According to the students' needs and performance of the group, the course teacher reserves the right to change the grammar topics, to pre- or postpone grammar topics and to change the number of teaching hours per grammar topic. In case of any above mentioned change, the students will be informed accordingly prior to the respective CA.
